### *Easter people, raise your voices!*

It is certainly an Easter unlike those we have experienced in the recent past. We are not able to gather together in person as the body of Christ to celebrate the resurrected Body of Christ. I have loved seeing your faces during our Zoom worship sessions, and hearing your voices, still strong.

I have been wondering what Jesus felt like, that resurrection morning. Was he at peace? Was he brimming with excitement? Was it new and a little scary? After all, it is the incarnation of Jesus - our God made flesh - that brings meaning to our faith. A God who reaches out, walks among us, bridges the connection to humanity so we can touch the divine.

As we head into more of this new and unknown world, remember that God seeks *us*, to share the news of love. Hallelujah, indeed!

Peace,  
Rev. Denise
