Happy February!! At last, we have snow and it finally feels like winter. February is the perfect time of year to experience the freshness of midwinter without the murkiness of late March. It is a time to enjoy the beauty of bare trees, bright blue sky, and sparkly white landscape. Breathing in the fresh air and the Spirit that surrounds us in the midst of cold and dark. Sometimes it is easy to get caught up in the darkness-- but it is the Spirit that brings us back to the warmth life offers and reminds us of the joys of life.

We are vulnerable people who feel deeply and who love deeply. We are open to the Spirit working with us to express and spread the love of Jesus throughout our day-to-day lives. As we celebrate the secular holiday of Valentine's Day, let's not only focus on our loved ones, but also on those who are in need of love. Do something nice for someone: give a valentine card to the grocery clerk, give a flower to the mail delivery person, or write your own poem about love and post it somewhere, like Facebook or on a bulletin board in the library. Let's show everyone that Jesus' love is pure. Jesus' love is healing - it does not destroy. Jesus' peace is for ALL people.

Love, Pastor Denise
